Fridge Aid Deodorizer

Prevent distasteful odors from taking over your refrigerator or freezer with our universal refrigerator/freezer deodorizer. Easy to use, simply place in the area you wish to deodorize and let it do the rest!

- Lasts up to 1 year
- For use with all refrigerators and freezers

P/N 78956

Frigidaire Ice Tray

Made to last a lifetime, these ice trays are made of a high-quality polypropylene that returns to its shape even after considerable bending.

- Special design allows extremely stable stacking
- Dishwasher safe

P/N 01121808

Butter Dish

Perfect for storing and serving butter with your favorite meal.

P/N 5308000716

10" Water Filter

- Replaces most in-line filters
- Filter provides better taste, odor, and color
- Easily installed, saves you money
- For use in all in-line water filter applications

P/N S5305510266

20' Copper Waterline Intstall Kit (Self Tapping)

All copper construction with no plastic parts to crack or leak. Easily installed with common tools, no cutting or soldering required.

- Instructions included
- Universal

P/N S5305510264

Shelves

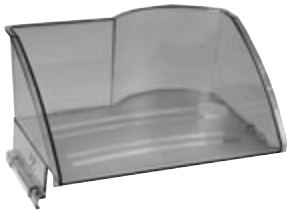

VersaShelf

Put the unused space below your refrigerator's shelves to work. Use our convenient Versa Shelf to chill soda cans, a 2-liter bottle of soda, a loaf of bread, or other small items. Rack hooks onto the shelf for easy removal for cleaning.

- Available in White or Clear
- Size: 16.01" long
- Universal fit on any cantilevered shelf

P/N 240424501 (White)

P/N 240424502 (Clear)

Ice Cream Holder

No room on the shelf for the ice cream box? We have the solution for you. Our ice cream shelf utilizes the unused space above the ice maker (in some models)! Ice cream stays colder because of better air circulation around the box.

- Available in clear
- Size: 10.11" wide

P/N 240342902

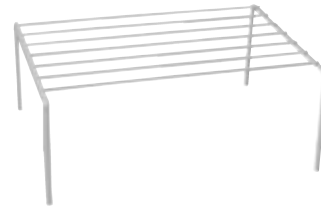

Wine Rack

Chill that special bottle of wine with our handy wine rack. Fits adjustable shelves by hooking onto the shelf.

- Available in White or Clear
- Size: 11.94" long

P/N 5304402116 (White)

P/N 5303295947 (Clear)

Universal Freestanding Freezer Shelf

Help organize your freezer with this universal freestanding freezer shelf.

- Made out of durable metal covered in enamel
- Available in white
- 4.5" x 8.5" W x 11.5" D

P/N ISK17 (subs ISK18)

P/N ISK21

WaterFilters

Proprietary

Pure Source™ (WFCB)

WFCB- This replacement water filter has been strenuously tested and certified by NSF International. It protects your family by reducing all of the following contaminants:

- Cysts by 99.99%
- Particulates (class 1) by 99.80%
- Turbidity by 99.70%
- Lead by 99.30%
- Chlorine (class 1) by 97.80%
- 2,4-D a common herbicide, by 94.20%, and Atrazine by 94.90%
- Toxaphene, a common pesticide by 87.50%

Fits all Frigidaire filter-equipped refrigerator models manufactured before 2001 energy compliant regulations.

P/N WFCB

PureSource Plus™ (WF1CB)

This replacement filter has been strenuously tested and certified by NSF International (the internationally recognized authority on water quality). The filtration system is built into the inside of the refrigerator for replacement ease and convenience. It also reduces:

- Particulates (class III) by more than 98%
- Chlorine (class I) by more than 96%

Designed exclusively for the following models: FRS23KR4A FRS23R3A FRS26R3A FRS23R4A FRS26KR4A FRS26R4A MRSR25V4A MRSR25X8A MRSR25V5A MRSZ28X8A

P/N WF1CB

WaterFilters

Proprietary

PureSource2™ (WF2CB)

This replacement filter has been strenuously tested and certified by NSF International (the internationally recognized authority on water quality). The PureSource2™ filtration system is built into the inside of your refrigerator for replacement ease and convenience. Its advanced engineering reduces:

- Cysts by 99.99%
- Particulates (class 1) by 98.5%
- Turbidity by 99.70%
- Lead by 99.30%
- Particulates (class III) by more than 98.6%
- Mercury by 91%
- Herbicides 1,4-D by 96%, Alachlor by 98%, and Atrazine by 98%
- Pesticides Lindane by 92% and Toxaphene by 87.5%
- Fits all front cassette models

P/N WF2CB

Universal

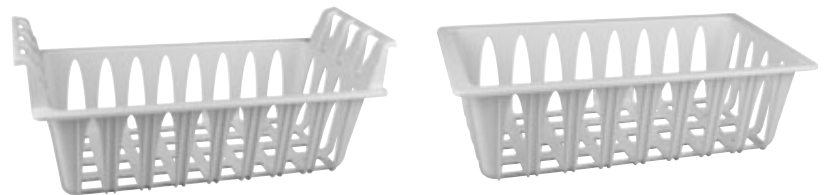

Universal "In-Line" Waterfilter

Our inline filters provides better taste, odor, and clarity.

- Fits most major manufacturer brands

P/N 5303917645

Silicone Bakeware

SILMUF6

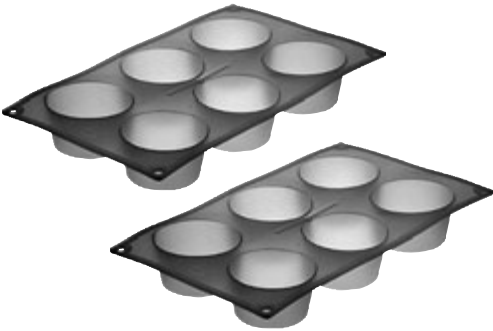

SILMUF12

These flexible, non-stick bake forms are of high quality and produce beautiful, well-formed bake goods. Professional and commercial chefs have been using silicone bakeware for years and have reaped the benefits of perfectly formed baked creations. Now you can have the same results with our high-quality silicone bakeware.

- Nonstick finish means flawless food release—simply peel away
- Non-porous so no residual odors or flavors
- Goes from oven to microwave to freezer without cracking or splitting apart
- Easy to clean—just wipe or rinse
- Dishwasher safe
- Flexible for easy storage
- Excellent heat conductivity reduces baking times by up to 30%
- Withstands up to 3000+ baking cycles and temperatures ranging from -40°F to 528°F

Bake Stones

12" Bake Stone

Our bake stone sits directly on the grill's cooking grates, creating an 'Italian brick oven'.

- The stone's unique surface "wicks away" moisture, creating perfect crusts every time
- Absorbs moisture and distributes heat evenly
- Easy to clean and store

Accessories

Anti-Microbial Filters

Anti-Microbial filter

Universal, antimicrobial, cut-to-fit filter fits all standard A/C units, as well as central air units (just place filter between air return gate and standard air filter).

- Lasts six times longer than standard foam filters
- simple 'cut to fit' design—simply measure, cut and install with the flat side toward the compressor
- 100% Washable— Rinse with warm water, dry, and replace.
- Anti-Microbial Filter resists growth of: bacteria mold and fungus.

P/N 5304405648

Support Brackets

Large Support Bracket

Ensure your window unit is secure by using our universal support bracket. Built for all-weather use and easy indoor installation, eliminating the need to work outside.

- Supports units weighing up to 160 lbs.
- Built for 12,000 BTU to 24,000 BTU
- Universal support brackets fit standard A/C units

P/N AC-160

Small Support Bracket

Ensure your window unit is secure by using our universal support bracket.

- Supports units weighing up to 80 lbs.
- Built for 5,000 BTU to 10,000 BTU,
- Universal support brackets fit standard A/C units

P/N AC-080

Weather Seals

Weather Seal

Seals out cold drafts in winter, and seals cold air in during summer.

- Reduces window vibration and outside noises
- Seals out dust and insects
- Foam compresses easily to seal window gap around unit
- Can also be used as a window sash seal
