

2 Sico Communicator Table Seating Unit

Easy to open from the folded and locked position.

- 1) Simply press the yellow handle (located at eye level on both sides)...
- 2) which unlocks the latch...
- 3) allowing the torsion bars to assist in lowering the table slowly into the open and set position.

- **Large capacity** 47"x121" (119cm x 307cm) top provides adequate spacing for 12 standard size lunch trays. Increased seating capacity is up to 15% - 20% over separate tables and chairs.

- **Unique Elliptical shape** allows eye-to-eye contact between all users, reducing noise levels and promoting quieter interaction.

- **Space Efficiency.** Fewer tables are needed to seat many students, saving cost and space.

- **Twelve attached seats on a 10' (310cm) table** provide generous 23" (58cm) of spacing between each seat (on centre) and plenty of space between student and tabletop.

WARRANTY
15 years with a lifetime warranty on welds

- **Quick clean-up and compact storage**

3

Sico Mobile Folding Table Seating Units

- **Tables can pay for themselves in as little as two years.**
Savings in staff time alone will pay for the Sico tables in a short time.
- **Serve up to 15% to 20% more people than tables and chairs in the same space.**
Separate chairs and tables require extra aisle space to slide out for entry.
- **Sico tables are easier on your floors.**
Continually sliding chairs damage floors. Sico TSU's rest on non-marking neoprene glides. Floors look nicer longer.

- **Sico has been manufacturing dining tables since 1951!**
Our quality tables are used in school dining areas in thousands of schools around the world.

- **Easiest-to-handle units.** The floating fold design includes torsion bar assist, making TSU's the easiest unit to fold and roll on the market. Plus TSU's nest together for compact storage.

- **Cuts clean-up time by more than half.**
Fold, roll, clean and reset in a fraction of time it takes to move, clean, and reset tables and loose chairs.

8 Seat 8' (244cm) table with adult size seating for eight. Offers 24" (61cm) table space per seat.

12 Seat
10' (305cm) table with seating for twelve. Offers 20" (51cm) of table space per seat.

16 Seat 10' (305cm) table seats sixteen. Maximum seating for younger students. Allows 15" (40cm) table space per seat.

WARRANTY
15 years with a lifetime warranty on welds

CHOICES

Mobile, folding tables

One day. One hall. Multiple uses.

Sico Table

• **Tamper proof expansion rivets** secure frame onto sturdy MDF (Medium Density Fibreboard) core. No screws to work loose.

• **Aircraft lock-nuts** at all main pivot points remain tight and can't work loose.

• **Non-marking neoprene glides** on legs contain metal washers that protect floors by preventing leg tubes from breaking through glides.

• **Sico Armour-Edge®** on top edge is incredibly durable. No cracks or seams to trap food. Hermetically seals table core for sanitary purposes and moisture resistance for longer life.

• **Almost indestructible 13" (33cm)** one-piece seats keep their good looks through years of everyday use.

• **Tough .04" (1mm) thickness high-pressure laminate** tabletops are highly specified for durability and wearability.

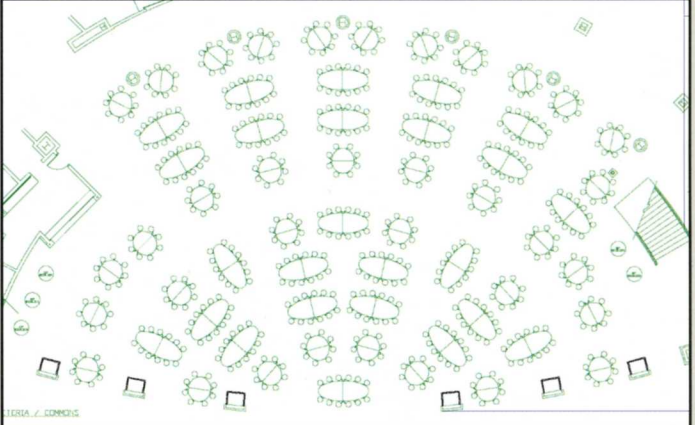

• **Dual 14 gauge tube design** means extra strength and durability.

• **Non-marking 4" wheels** provide smooth, easy table handling.

• **Superior quality materials** and efficient design means easier handling and longer life.

Free Space Analysis Service

Sico has professional staff that produce drawings showing how our tables, and other products, will fit into your facility. There is no charge for this service.

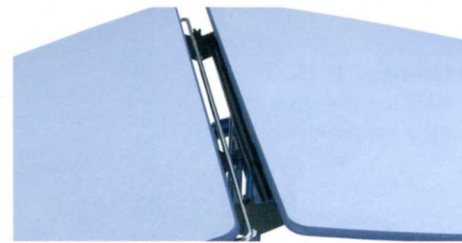

Features

- **Two 7 gauge vertical hinges** won't trap food and provide additional strength and durability.

- **Sico's Floating Fold torsion bar** assist system makes folding tables fast and easy. A more durable and long lasting system than others. Proven in over 50 years of use.

- **3/8" (1cm) centre gravity lock bar** prevents anyone from raising centre of table by sitting on the end. Easily released from either side.

- **Sico table frames are 14-gauge structural steel.** One piece frame construction does not rely on table top for strength. Frames are finished in grey powder coat finish designed to take hard everyday use and still look good.

- **Operating instructions and serial numbers** are attached to every table for convenience and easy identification.

- **Legs are powder-coat finished.** Applied to chrome-ready tubing for superior durability and ease of cleaning.

- **Optional backrests** for extra comfort. They add flexibility to meetings and classroom

- **Open walkway between seats.** No "stumble bars" to create a hazard.

Quality System Registered to
ISO 9001:2000

1

Sico Graduate Table Seating Unit

- **Oval or octagon shapes.**
Promotes increased (and quieter) student interaction.

- **Quick set-up and storage.**
Folds and rolls for compact storage or to roll through standard doorways.

- **All Graduates provide a minimum of 26" (66cm) between seats (on centre) for comfort of children or adults.**

- **Generous 2" (5cm) spacing from table top edge to edge of stool for more comfortable seating.**

- **Ample spacing: 54" x 60" (137cm x 152cm) Oval & 60" (152cm) Octagon provides adequate spacing for 8 standard lunch trays.**

- **Increases seating capacity up to 15% - 20% over separate chairs and tables.**
