

# China-Pack

The perfect solution for food takeouts. China-Pack container is a multi-functional paper container for hot or cold food.

China-Pack container is the smart choice for Asian restaurants, Italian restaurants, delicatessens, salad bars, caterers, etc.

China-Pack container keeps the food hot and fresh, it is leak-resistant, grease-resistant, and microwaveable.

China-Pack container is a one-piece solution requiring no lid. The top folds over, and the container is closed though still vents steam effectively so fried foods like egg rolls don't get soggy.

China-Pack container is an affordable packaging providing a perfect solution.

China-Pack offers high quality packaging that replaces aluminum and foam with a stylish packaging that is recyclable and environmental-friendly (it can be disposed of simply like paper cups).

The advantages that make China-Pack container the best in the industry are:

- Made from the finest quality paperboard
- Able to hold heat while allowing ventilation
- Able to hold hot liquids
- Easily loaded with food products
- Self-sufficient requiring no lid
- Customer friendly
- Microwaveable
- Stylish
- Affordable
- Recyclable and environmental friendly

Like all our products, we can print China-Pack containers with up to four colours.

The minimum quantity for custom printing is 25,000 cups.

**For lower quantities please refer to pages 14-15: Tavor Digital Cups are supplied with no minimum quantity and no printing plates charges.**
