

T-IR Series Irrigation Solenoid Valves, N.C

Product code : T-IR.100.....T-IR.107

Brand : TORK

T-IR Series Irrigation Solenoid Valves, N.C

Irrigation Solenoid Valves; Direct Acting and Pilot Operated Types

T-IR Series normally closed position

Application : farm, ground, park, green house, glass house, football ground, gridiron

Coil Voltage : 230, 220V, 110V, 24V, 12V AC, 24V, 12V DC, lutch

Protrction Class : IP 67 with cable out put connection

Seal : NBR

Internal Parts : stainless steel
