Izo staklo DOOEL Prilep Address: "Mosa Pijade"b.b. Tel.: (+389 48) 421 158 Fax: (+389 48) 402 210 Ownership: 60% private property 40% stockholders local kapital Employees: 55 E-mail: mak-agent@mt.net.mk Contact person: Najdoski Dragan Gen.manager	DOOEL "Izo staklo" Prilep existing since 1999 year. The company's current line is production of plant and bent tempered and laminated glass for needs of vehicles, and building industry. Almost 4 year we are working with success, and our financing is by own capital	Supply of horizontal bend and tempering production line and computer table for glass cutting. With this production line we will encircle our production with another product, which is very wanted, in our state and the same is imported by other countries. We have some vertical furnaces, but with this furnace we don't may to answer on new necessities for this product-production of windscreens with larger dimensions, in our local market. Therefore we provide this project for supply of new production line.	0,60	0,40	Joint-venture
